LIBRARY SPECIFIC REVISIONS:

KI7 – Aristotle Casegoods

PB 23:037_rev 1_Aristotle Discontinuations

Effective Immediately: KI is culling the following Aristotle options due to low sales volume.

1. Laminates: Light Grey (LLG), Dark Sand (LDS), Sunset (LSU), Cocobala (LCC), Charcoal Laminate (LCH)
2. All Executive series desks, returns, bridges, credenzas, reception, shells, D-tops, P-tops & storage are discontinued.
3. All Executive Conference room tables – Family AECT – will remain available. However, the worksurfaces will be made in 1” thickness and the Executive edge will be comprised of the 1” primary surface plus a ½” MDF edge so we can apply the 1-½” thick edge band around the tables.

KSL – Seating – Lobby/Lounge

PB 23:041 Zoetry Coordinating Thread Color Pick Addition

A coordinating thread pick will be added to all Zoetry seating models to easily specify the closest matching thread color that coordinates with the specified upholstery. When selected, the closest matching thread color will be chosen by the factory at time of production. When upholstery with a pattern is specified, the factory will select thread color based on the dominate color in the pattern

KSN – Seating – Stack/Nest

PB 23:039 Katera Chair & Stool – Steel Glide Addition

Steel glide option will be available to order on all Katera chair and stool models. The steel glide is designed with a nylon leg end tube body that will accommodate the snap-in steel glide that meets the floor. These are field replaceable and interchangeable with the current frame.
