

Knoll Design and Specification Update Report for May 2024

General Notes:

Knoll 2D and 3D CAD Layers.xls has been updated.

New Knoll materials have been added.

*** Important Update ***

The May release includes the first step in establishing a common Central Palette of paint, laminate, and PVC Edgeband materials to be available across Herman Miller and Knoll products. Several new standard Herman Miller finishes have been added to the Knoll product offering. Each new or existing finish now considered part of the Central Palette can be easily identified by the addition of (CP) which has been added to the option descriptions. Due to the effort of work required the new Central Palette changes will roll out in two phases. The first phase in May with the second phase targeted for the July release. Below are a list of product lines impacted by this initial phase:

- Antenna Workspaces
- k.base
- k.screen
- Propeller Tables
- Quoin
- Anchor
- Dividends Horizon
- Pixel Lounge
- Pixel Training Tables
- LSM Tables
- k.lounge
- Rockwell Unscripted
- Reff Profiles

KSC - k.screen
