

Knoll Design and Specification Update Report for July 2024

General Notes:

We are pleased to announce the release of the new Knoll Lev by Knoll catalog. The catalog code for Lev by Knoll is KLV for commercial and KVG for GSA.

A new GSA catalog for The Cove Collection catalog has been introduced.

The Knoll Catalog effective dates.xls has been updated to reflect the recent additions.

New material images have been added for the month of July.

General Updates:

ECN# E240226 - Several Knoll textiles have been obsoleted across all catalogs.
