

PSL Release Summary Letter for August 2024

IMPORTANT NOTES: A new lounge collection has been introduced by Coalesse and co-developed with Jean Nouvel. New additions have been made to other Steelcase product lines like WorkValet, Empath. A few fix projects have been published as well with the most notable being visual updates to the newest Migration symbols.

If you have any questions on the contents of this release, please contact PSL@steelcase.com for support.
