LIBRARY SPECIFIC REVISIONS:

KII - Classroom Furniture Delivered

Intellect Wave Sit/Stand Desk Surface Angle Change

We changed the pitch of the Intellect Wave Sit/Stand desk by changing the bend angle of 46.7224.LH/RH from 86.5° to 89.5°. The flat surface will better accommodate group collaboration when desks are pushed together in pods, it will provide a flat surface so pencils and other items won't roll off and it will better accommodate chair nesting onto the surface. This change will leave the desk with a height range between 30" and 42".
