

KI – 2020 Data Revision Summary January 1st, 2025

Textures: The Pallas fabrics listed below will no longer be pattern matched on High Point manufactured products due to the organic nature and scale of the fabric pattern. These fabrics were reviewed, and the mill repeat is indistinguishable once applied to a product. As a result, additional fabric required for the repeat will no longer be required resulting in the lowering of their current fabric price grades.

25:016 Grade 2 Laminate Cull – Great Bear

Due to supplier discontinuation KI's Grade 2 Laminate – Great Bear (LGB) and matching Great Bear Edge Color (EGB) is culled.
