

August 10, 2025

A new release of all Kimball International catalog SIF information is available to download.

The publication date for the Kimball International data is Monday September 15, 2025.

The .0 file for each catalog contains the price zone description for the six price zones that Kimball International currently uses. Please use/reference the .0 file to populate the price zone descriptions for Kimball International catalogs within your specification tool.

Use the link below to access the updated **Kimball National Etc Interwoven David Edward** files:
