

A new release of all Kimball International catalog SIF information is available to download.

Please include these updates in the Configura Spec release on Monday October 6, 2025

The .0 file for each catalog contains the price zone description for the six price zones that Kimball International currently uses. Please use/reference the .0 file to populate the price zone descriptions for Kimball International catalogs within your specification tool.

Use the link below to access the updated **Kimball National Etc Interwoven David Edward** files:
