## **LIBRARY SPECIFIC REVISIONS:**

### **Introducing Outspan (KOS)**

Outspan brings a refined visual language to outdoor living, learning, and work. Built with outdoor-grade steel and high-density polyethylene surfaces, the collection balances strength and beauty and is engineered to perform in demanding conditions while maintaining a clean, modern aesthetic. Guest chairs, lounge chairs, stools, benches, and tables offer flexibility for dining, collaboration, and moments of pause, allowing designers to create unified outdoor spaces without compromise.
